Subject: SFS-20-x170 URGENT- March Claim Submission Deadline

All valid March claims (both initial and amendments) MUST be submitted immediately.

Under Program statute and regulations, claims for reimbursement must be submitted to the State agency no more than 60 days after the last day of the month covered by the claim.

Although USDA issued a nationwide waiver to extend the deadline for the claims covering operations in the months of January and February 2020, **a wavier HAS NOT been issued for the March 2020 claim.**
